

Spring Valley Youth Camp Dress Code

We are looking for modesty. We aren't nitpicky. With that said, here are some general guidelines:

GUYS

Evening services

Polo shirts or dress shirts and pants.

Athletic Activities

Regular athletic t-shirts are great. Sleeveless shirts are ok if they don't have deep underarm cutouts, plunging necklines, or thin straps.

Shorts just above the knees are ok but no shorter.

No cut off shirts or shorts.

Swim suits

No speedos or short shorts. Keep those manly legs sacred.

GIRLS

Evening services

Skirts and dresses.

No deep V necks or low backs.

Knee length and not skin tight.

Please bring undershirts and leggings just in case.

Athletic activities

Shorts at least an inch below your fingertips with your arms by your sides and shoulders fully relaxed (no shrugging just so you can wear shorter shorts).

Sleeveless tops must be minimum 3 fingers width at the strap.

Swim suits

No white or light-colored swim attire.

Tankinis with no exposed midriff or one-piece swimsuits.

Swim shorts over the top.

EVERYONE

Bring extra athletic/outdoor clothes because you'll probably get wet/dirty/sweaty more than you expect and kids frequently run out of clean and dry clothes. We do provide lines for drying clothes outside but then sometimes it rains so nothing gets dry. Also at least one pair of running shoes will get wet and/or muddy, so you might want to bring an extra pair. If you have water shoes feel free to bring them for the float trip, otherwise running shoes work fine.

If you're not dressed modestly according to dress code we will ask you to find something else to wear, or find something for you if you didn't bring anything! So please make sure you pack prepared for fun and worship!
